Bookcrossing

Join our new book exchange initiative at the office and get the stories flowing!

How?

- **Choose a book you like.**
- **Write an anonymous note** saying why you liked it or why it is important to you.
- **Place the book on the shelf.** It's now for everyone to enjoy!
- **Take any other book you like in exchange.**
- If you want to, **return it after reading it** and add another note for the next reader!

If you have questions regarding the initiative, please **contact Susana Seibold** (susana.sp@samsung.com).
